

Ensure your vehicle is safe to drive with the Annual MultiPoint check

Ensuring your motor vehicle is safe to drive is very important. At Discovery Insure, we encourage you to check your car or motorcycle's roadworthiness by taking it for an Annual MultiPoint check at your nearest Tiger Wheel & Tyre or Discovery Drive Centre.

WHAT DOES THE ANNUAL MULTIPOINT CHECK ENTAIL?

The Annual MultiPoint check is a set of tests done on your motor vehicle to assess the roadworthiness of various safety functions and to check its service history. Safety functions included in the checks are:

Steering wheel

Headlights

Hooter

Tyres

Indicators

Shocks

Windscreen wipers

Seat belts

For motorcycles, the check will also include:

Missing parts

General condition

HOW MUCH DOES IT COST?

The cost of the Annual MultiPoint check is R95. Should you fail the check and redo it within 30 days of the issue being identified, you will not be charged for the second Annual MultiPoint check.

HOW TO COMPLETE THE CHECK

You can visit [your nearest Tiger Wheel & Tyre](#) or [book an appointment at your nearest Discovery Drive Centre](#) to complete your Annual MultiPoint check.

HOW MANY VITALITY DRIVE POINTS CAN YOU EARN?

Activity	Vitality Drive points per month for 12 months
Passing the Annual MultiPoint check	300

WHEN WILL YOUR VITALITY DRIVE POINTS REFLECT?

Your Vitality Drive points will reflect within a week of completing the Annual MultiPoint check and will reflect every month for 12 months. If no new check is completed after 12 months, you won't earn Vitality Drive points and your fuel cash back percentage will drop.
